

DATA PROTECTION - Notice of information

D2L Pharma Research Solutions Pvt. Ltd. (D2L) is a data controller that supports pharmaceutical, biotechnology and medical device companies by collecting and analyzing public information on potential key opinion leaders and market access stakeholders of the health sector.

We are providing you this notice in order to fulfill the legal requirements applicable to data controllers as defined by the EU General Data Protection Regulation (GDPR).

D2L only processes publicly available and non-sensitive information, linked to your professional activity that is normally available in official public registers and websites for the purposes of updating our database and providing you notice.

Collected information include name, specialty, work addresses, professional e-mails, contributions to medical events, participation in clinical trials, authorship of medical publications, memberships in medical associations, and publicly disclosed relationships between you and pharma companies. We will store and update your personal data for the period where you contribute to scientific research through medical publications, participation in clinical trials and contribution to medical events. Processing of your personal data is based on Art. 6(1)f GDPR.

Your data may only be shared with companies in the life science sector pursuing the following legitimate interests:

- Providing scientific information concerning pharmaceutical products and services
- Identifying experts for scientific cooperation, e.g. clinical trials, medical publications, contributions to medical events
- Satisfying any applicable law, regulation, legal process or governmental request

Under the regulations of GDPR you have the rights to:

- Obtain from D2L confirmation as to whether or not personal data concerning you are being processed, and, where that is the case, access to the personal data
- Obtain from D2L without undue delay the rectification of inaccurate personal data
- Obtain from D2L the erasure of personal data without undue delay
- Obtain from D2L restriction of processing
- Object, on grounds relating to your particular situation, at any time to processing of your personal data
- Lodge a complaint with a supervisory authority

You can exercise your rights by contacting D2L at the below email address.

Yours Sincerely,
Data Controller
